

FQ Serisi Multi-Media Sistemleri

- Corrosion resistant FRP body
- Programmable automatic CLE Valve with digital display
- GL2-2, GL4-2 and GL10-2 valves are time controlled
- GL20T and GL40S valves with time/flow controlled.
- 2- 6 bar operating pressure
- Max. 10 bar test pressure
- Max. 45 °C operating temperature
- Anthracite and 2 different granule sizes mineral content
- Electricity supply 220V/50 Hz

Avantajları

- Operatör gereksinimi duymadan işletme kolaylığı
- Düşük işletme maliyeti
- Düşük enerji maliyeti
